

DAMS 1st Year Anatomy & Physiology Question Paper

Session 2025-26

Online Study File Question Paper

By www.bafeducational.com

Maximum Marks: 100

Subject: Anatomy and Physiology

Section A – Objective Questions

1. Define Anatomy.
2. What is Cell?
3. Define Tissue.
4. What is Blood?
5. Define Heart.

Section B – Short Answer Questions

6. Explain types of tissues.
7. Write about composition of blood.
8. Describe functions of skeletal system.
9. Explain digestive system briefly.
10. Write short note on respiratory system.

Section C – Long Answer Questions

11. Describe structure and function of heart.
12. Explain human digestive system with diagram.

13. Describe nervous system in detail.

14. Explain excretory system.

15. Write about endocrine glands and their functions.

16. निम्नलिखित पर टिप्पणी लिखिए:

(a) अष्टाहार विधि विशेषायतन

(b) विपाक

(c) Water and Electrolyte Balance

(d) Physiology of Temperature Regulation

17. गर्भ-शरीर काल एवं जन्मोत्तर काल में प्रकृति को प्रभावित करने वाले कारण एवं प्रकृति ज्ञान के चिकित्सकीय महत्व का विस्तृत वर्णन करिए।

19. Give detailed description about Homeostasis, its component, types and importance in human physiology?

20. Functional Anatomy of Gastro Intestinal Tract? Describe digestion and metabolism of Carbohydrate in detail.

21. Write the COMPOSITION and FUNCTIONS of BLOOD. Also describe the ERYTHROPOIESIS according to modern.

22. Describe the HORMONES OF THYROID gland in detail.
